

PRAYERFUL PRESENCE FOR MINING JUSTICE AT THE PDAC

Mining is one of the worst industries for abuses of human rights and the environment. The Prospectors and Developers Association of Canada is hosting an awards gala to celebrate the mining industry on March 7. Join us as we carry candles in solidarity with the victims of mining and those resisting it.

**Tuesday, March 7, 5:30-7:00pm
Fairmont Royal York Hotel
(Across from Union Station)**
